

# West Virginians overwhelmingly want to keep existing permit requirements for concealed guns

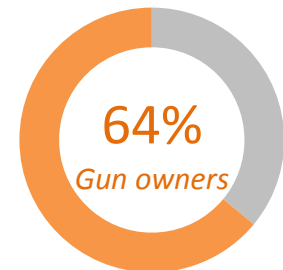

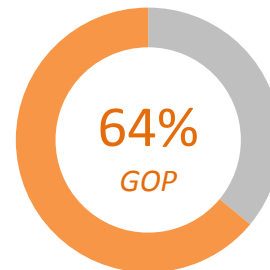

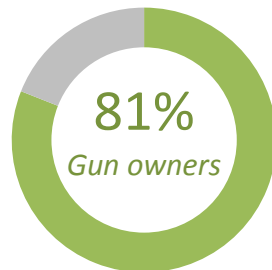

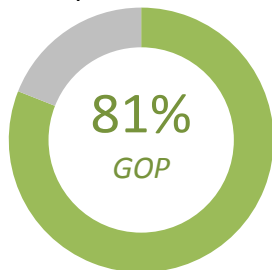

*Under current West Virginia law, people are required to have a permit in order to carry a concealed handgun in public. In order to get a permit, people must complete a gun safety course and must not have a recent violent criminal record.*

*There is currently a proposal to repeal the requirement to get a permit to carry concealed handguns in public.*

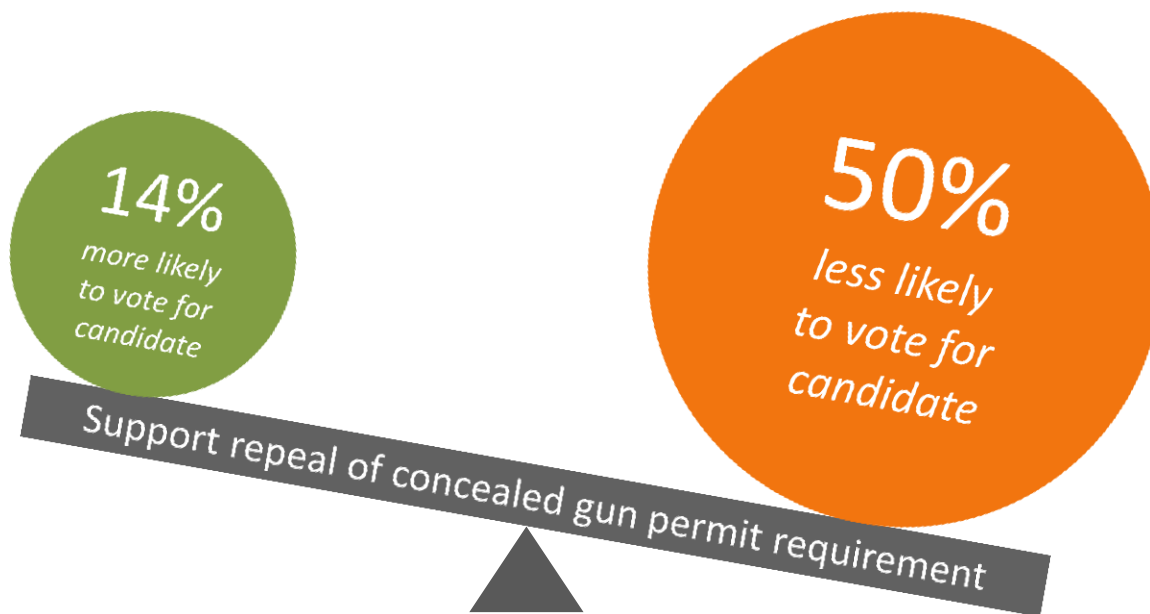

*Do you favor or oppose requiring permits to carry a concealed handgun in public in West Virginia?*

*Do you favor or oppose repealing the permit requirement for people to carry concealed handguns in public places in West Virginia?*

# Repealing the concealed gun permit requirement would hurt legislators more than help

*Let's say a candidate for office supported this proposal to repeal the requirement to get a permit to carry concealed handguns in public places. Would you be more or less likely to vote for that candidate, or would it not make a difference in your vote?*

*% Less likely to vote for candidate supporting permit repeal*
