**7** Family members are often the first people to notice when a relative is showing warning signs of being a danger to themselves or others. In some states, family members or law enforcement can ask a judge to temporarily block a person from having guns if there are clear red flags that they pose a serious threat to themselves or others. Do you... strongly support? Support? Oppose? Or strongly oppose ... temporarily blocking a person from having guns if there are clear red flags that they pose a serious threat to themselves or others?
